

MINUTES OF THE SEPTEMBER 2, 2008 SPECIAL MEETING OF THE PUEBLO CONSERVANCY DISTRICT

Directors Present: Sandstrom, Farley

Also Present: Administrator Rick Kidd, Counselor Don Banner

Guests: Shirley Filer, Treasurer's Office; Phil Sierra, Dillon Beauvais, and Sharon Vigil of the County GIS/Mapping department.

With a quorum present, the Pueblo Conservancy District board meeting was called to order at 8:04 am.

County personnel reported that progress is better than had been anticipated. They expect to be done in a couple of weeks.

Legal ownerships for the utility companies are reported under their original names. The old parcel numbers can be brought up to date, but the utility and railroad entities are "State assessed" and do not go through the County system.

When there are multiple parcels with one tax ID number we need to total all of the assessments for that ID. Remember that it must be divisible by "2".

Kidd to ask Frank Beltran and Aurelio Sisnerous to come to the September 17 meeting. Shirley Filer thinks that we can work through the County system to get the State assessed tax funding.

There being no further business to come before the Board, the business meeting was adjourned at 8:45 a.m. The next regular meeting date is September 17, 2006, at 4:00 pm.

Gus Sandstrom, Director
