Appraisal work 290.00

Upon motion, these bills were approved and payment ordered made by warrant on the Treasurer.

Mr. Jones appeared at the meeting and introduced Mr. Dennis, the Engineer representing the D&RGW railway company. Mr. Dennis made a verbal report on his findings, stating that he had gone over the several plans of the Morgan Engineering Company and was giving them due consideration. He stated that he was to hold a conference with the local officials of the D&RGW railway company today and within a few days will be ready to report to Receiver Young. Mr. Dennis gave the impression of being favorably impressed with the plans as suggested.

There being no further business to come before the meeting, it was, upon motion, adjourned.
