THE PUEBLO CONSERVANCY DISTRICT

Proposal for Contract No. 5

1924.

To the Board of Directors,

The Pueblo Conservancy District,

Pueblo, Colorado.

Pursuant to the Advertisement of your Board for bids for the construction described and itemized on page 2 of this proposal as designated in said Advertisement and in the specifications and contract drawings of the District, the undersigned bidder herewith proposes to do all work, perform all services, and furnish all materials (unless otherwise definitely provided in the specifications or on the contract drawings) at the unit prices named in the following schedule, within the time, at the progress rate, and in the manner required, all in accordance with the "Specifications for the Construction of Sanitary Sewers", issued by The Pueblo Conservancy District and the drawings hereinafter designated; and agrees to execute a valid agreement and to furnish a satisfactory bond, such agreement and bond to form integral parts of the Contract consisting of advertisement, agreement, bond, specifications and drawings.

The bidder further agrees that in case of his failure to execute such agreement and furnish necessary bond, within the time fixed in the Advertisement, the check accompanying this proposal, and the money payable thereon, shall be and remain the property of The Pueblo Conservancy District, as liquidated damages for such failure.

The bidder further agrees that, in case the work is awarded to him, he will begin, prosecute and complete the work as required in the Schedule of Progress, which is a part of said specifications; and that in prosecuting the work he will maintain the rate of progress therein required.
