REPORT OF MEETING OF THE PUEBLO CONSERVANCY DISTRICT

AT WHICH BIDS ON LEVEE ALTERATIONS WERE OPENED

April 12, 1946

A meeting was held at the office of the District, 113 West Fifth Street at 2:00 o'clock P.M., April 12th, 1946, for the purpose of opening the bids on Levee Alteration and Repairs.

President Holmes presided. Director Mathis was present.
Director Pryor, absent.

S. F. Elliot, Engineer for the District was present, also representatives of all contracting firms submitting bids.

The Secretary reported that a Notice to Contractors to the effect that sealed bids would be received until 2:00 o'clock O.M., April 12, 1946, had been published in the Pueblo Star Journal on April first and in nine subsequent issues of the Star Journal as well as in five issues of the Chieftain. Affidavit of publication is attached hereto.

Four contracting firms submitted bids. Each bid was on the basis of the price per unit for each of various items; quantity of each item as estimated by S. F. Elliot, District Engineer, having been shown on the proposal form. On the basis of Elliot's estimate of quantities and the contractors' prices per unit, the amount of each contractors bid for the work specified not including extra work which is to be done on a cost plus basis, was as follows:

Brown Construction Co.	Pueblo, Colo.	\$23,910.50
C. M. Hanes Construction Co.	Colorado Springs	16,373.00
Miner Construction Co.	Denver	25,190.00
Northwestern Engineering Co.	Denver	18,971.75

The sealed bids were opened by Mr. Holmes and the amount bid for each item was read. Following the reading of the bids, Mr. Holmes announced that after an analysis of the bids was made, the successful bidder would be selected. All contractors present then left the meeting and Holmes, Mathis, Elliot and Greene considered the merits of each bid submitted. The Hanes Construction Co., had submitted the low bid and there being no offsetting advantage in any of the other bids submitted, it was decided to award the contract to the Hanes Company.

Mr. Greene was instructed to inform Mr. Hanes that the District was ready to sign a contract with him as soon as he furnished a satisfactory Performance Bond and at the same time submitted insurance policies showing the liability, property damage and compensation insurance requirements stipulated in the contract to be in effect.

There being no further business, the meeting adjourned.
