BOARD MEMBERS PRESENT - P. Kelly, K. Farley and G. Sandstrom
ALSO PRESENT - L. Ward, Attorney and R. Koester, Engineer
OTHERS PRESENT - Bob Gilluland and Tom Langoni of the Parks Dept.

A copy of a letter written to Steel City Agencies by Sandstrom regarding Notice of Claim, is made a part of these minutes.

The general discussion of this Special Meeting centered on the liability and general maintenance of all of the parks trail system on this District's land between the Water Works on the West and Santa Fe Avenue.

It was mutually agreed between this Board and the City of Pueblo, that trail maintenance (day-to-day) would be done by the City (Parks Department thru Public Works), including that part of the trail known as the "service road".

Attorney Ward will prepare a Memorandum of Understanding of this Agreement, to be reviewed by City Attorney Jagger, to be formally adopted at a future regular meeting of this Board.

There being no further business, the meeting adjourned at 4:10 P.M.
