DSW made a report on their progress on the District Master Plan, with the following highlights:

1. GIS System data is slow in coming from County but co-ordination of efforts is being accomplished.
2. Utility and Wildlife habitat information being gathered.
3. Flood and stream gage readings are being collected.
4. Copy of Water Works base mapping is prepared and ready.
5. District asked that flown topo be added, and on August 11, a cost of topo will be known.

There being no further business, the meeting adjourned at 4.00 P.M. The next regular meeting was set for Wednesday, August 11, 1993 at the Districts office, 111 East 5th Street.

APPROVED:

Patricia Kelly

Secretary/Treasurer
