ACCOUNTANTS' COMPILATION REPORT

Board of Directors
Pueblo Conservancy District
Pueblo, Colorado

Management is responsible for the accompanying balance sheets - general fund of Pueblo Conservancy District (the District) as of July 31, 2020 and 2019 and December 31, 2019, and the related statements of revenues and expenditures and changes in fund balance – general fund for the one month and seven months then ended and the year ended December 31, 2019, in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statements, nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

Management has elected to omit substantially all of the disclosures required by accounting principles generally accepted in the United States of America. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the District's financial position and results of operations. Accordingly, the financial statements are not designed for those who are not informed about such matters.

Required Supplementary Information

Management has omitted the management's discussion and analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context.

Supplementary Information

The year to date budget comparison, loan activity schedule and capital asset activity schedule are presented for purposes of additional analysis and are not a required part of the basic financial statements. This information is the representation of management. This information was subject to our compilation engagement; however, we have not audited or reviewed the supplementary information and, accordingly, do not express an opinion, a conclusion, nor provide any form of assurance on such supplementary information.

We are not independent with respect to the Pueblo Conservancy District.
